Report of Principal and School Improvement Council

Sangaree made AYP for the 2006-2007 school year based on the 3rd grade scores at Sangaree Int. If we make AYP for 2007- 2008 we will be removed from the NCLB improvement list.

To improve student learning, we focus teacher training on early childhood instruction. We concentrate on developing fundamental skills that will be necessary for success in later grades.

The following diagnostic assessments are being used to determine students that need additional help:

Dynamic Indicators of Early Literacy – Test used to identify language difficulties in young children. All students are tested.

Diagnostic Reading Assessment – Reading test – provides levels of reading for each grade. First and Second grade students are tested.

MAP – Measure of Academic Progress – Computerized test for 2nd-9th grades in Language and Math – provides a comparison to a national group. Second grade students are tested.

The staff continues to analyze all available test data and classroom performance to determine areas that require curriculum refinement.

Students were offered after-school tutoring and others were given small group instruction during the school day.

Sixty-nine percent of our teachers have master's degrees and four teachers have achieved National Board Certification. Mr. Jamie Williams was selected Teacher of the Year by his colleagues.

We have added new staff to decrease class size in K5 and 1st grades. We have also added four K4 teachers to serve 80 students.

The participation in service learning has been phenomenal. Five of our classes won awards for their Kids Who Care projects. The Jump Rope for Heart program is approaching \$110,000 between SRE and SRI since it began. Our goal is to have all students take part in a service learning project each year.

The PTA provided several school-wide assembly programs. The PTA raised over \$18,000.00 since the last report. The PTA paid for improvements in the school playground and installed a security system. Volunteers donated over three thousand hours last year.
